Fuel Tank Rubber Parts

Fuel Tank Rear-Mount Rubber Pads
List Price: €5.66
(moto-boxer.com)

Fuel Tank Rubber Edging
List Price: $9.99
(www.russiangarage.com)

Tank band - Ural. Rubber band that runs horizontally round the Ural tank. At first this seems nearly impossible to fit. This is how it is done. Push the end through the cleat stop at the front of the tank on both sides, fit cleats and pull the band so the cleats grip the end hard. Go to the back of the tank and pull the band over the seam. It helps if the band is warm.

Sold with two new cleats
Part - F23010/set
List Price: £30.00
(www.f2motorcycles.ltd.uk)

Set of Rear Bolts + Rubber Washers for Tank
Out of Stock
